I would like to commend the team for their efficiency and professionalism in handling various administrative tasks. From admissions to registration and financial aid, the office has consistently provided prompt and helpful assistance. This has greatly contributed to a smooth and hassle-free experience for both students and faculty.	Satisfactory	Satisfactory	Satisfactory	A college library is expected to support the objectives of the college. Thus the basic function of a college library is to assist its parent body to carry out its programme. This means that it must adequately serve the needs and requirements of the teachers and students towards reading, study and research.
