ADSC students are renowned for their vibrant energy and disciplined approach to college life. With a keen focus on holistic development, they actively participate in curricular, co-curricular, and extracurricular activities, resulting in an impressive graduation rate of over 95% with consistently high grades.

The commitment to maintaining a safe and respectful environment is evident through the proactive efforts of the Anti-Ragging Committee, which has effectively raised awareness and implemented strict measures against ragging. Thanks to their initiatives, ADSC has remained ragging-free from the last five years.

Under the guidance of the institution's leadership, the Student Council, comprising class representatives, plays a pivotal role in decision-making processes. From academic calendar planning to cultural events and excursion arrangements, the Student Council ensures student representation in key matters.

Furthermore, students actively contribute to the Internal Quality Assurance Cell, ensuring a focus on quality in curriculum planning, teaching methods, and student support services. The Cultural Committee consistently shines with its excellent execution of cultural activities, while the Sports Committee promotes physical well-being through diverse indoor and outdoor activities and competitions.

Discipline is upheld by the dedicated Discipline Committee, which monitors adherence to dress codes and maintains decorum in classrooms and across the campus. In the Law college, the Moot Court Committee takes centre stage, organizing moot court competitions and fostering skill development, leading to state and national-level recognition.

The Mentor-Mentee Committee fosters a supportive environment, facilitating

interactions between advanced and struggling learners. Additionally, the Women Development Cell spearheads gender-related activities, promoting inclusivity and empowerment.

Overall, the College Development Committee oversees multidimensional progress and development initiatives, ensuring the continual advancement of students and the institution as a whole.
