**Course Title:- CRIMINOLOGY AND PENOLOGY (Elective Course)**

**Course Code:**

**Credits: 4**

**COURSE OBJECTIVES:**

Crime is a concept having changing dimensions according to social, economical, political and legal dimensions. Science and technology have also impacted on patterns of crime. Thus, this Course aims to give a basic idea of concepts like crime, criminal law, administration system etc. and to make students acquainted with criminology, penology and victimology in detail. This course offers a specialist understanding of criminal policies including theories of punishment, their supposed philosophical and sociological justifications and the problem of exercise of discretion in sentencing. In addition the course introduces students to the factors leading to criminal behaviour and modern approach of courts in awarding punishments. A general idea of criminal justice system is to be put forth through this course. In addition the course introduces students to the discipline of victimology which will shift the study from accused centric approach to much needed victim centric approach.

**COURSE OUTCOMES:**

After completing this course, students will be able to:

1. Understand various forms of crimes and criminals;
2. Grasp knowledge of different schools explaining criminal behaviour and crime causation;
3. Comprehend the reformatory approach in dealing with criminals;
