6. Problems Encountered and Resources Required -

A. Problems Encountered:

- a. Students' participation: Initially Students are reluctant to participate slowly as the time passes many more students join spontaneously.
- b. Overburdened teachers' resources: Academic – Administrative leave duties occupy advocate teachers in collages to engage extra – more time, brain, knowledge in this best practice limits the resources, many advocate teachers take it as over burden. Some of teachers are too human social they contribute their brain. Intellectual skill and valuable time, so as to show must go on social cause.
- c. Busy professional – Bar association and its members area exclusively practitioners, occupied in profession, many of
Those neither involve nor in courage. How ever on the contrary some of those are social, communal, and collective civilians for the society - the community.
- d. Infrastructure: To entertain, to interact, to council and to draft etc. to needy people requires space. In HEI, it is very difficult to meet both ends.
However, Mangaon Shikshan Prasarak Mandals management is so generous and pro social, It is never question in the ASHOKDADA SABLE LAW College, Mangaon.

7. Notes:

- Guarantees of free legal aid to poorer part of society is the main aphorism, axiom of ADSLC.
- MSPM – The management; ADSLC – Students – teachers and veteran – professional of Bar Association of Mangaon court are contributor 'Being human'.
- It Includes- depressed women, suffered children, disabled victims of disaster, member of rescued classes, individual workers, unorganized sector workers etc. get these facilities.
- It Works at local area, district level state level, national level, judiciary through off line and online mode.
- Lok Adalat: organized for free cost legal services to poorer- weaker people.
- HEI carried out programs cases under legal aid to poorer society along result satisfaction.
- Hei invited / all/ communicate in society for betterment in judicial consultancy at NO cash.
- It completed over cases for poorer in last five years.
- This best practice is best as it organized over Lok Adalat, where it settled cases as to helps weaker section society.

In each school, Junior college on an average 500 Students present, it means approximately 5000 students get Sensitize informed –

- a. Preaution of sexual harassment
- b. Gender Equality
- c. Indian Constitution.

4. Evidence of success;

- A. Performance against targets
- B. Review /Results
- C. Outcome

A. Performance against targets-

Legal Sensitization- Awareness of adolescence is performance base activity. The law college students, law college teachers, advocate along with Judicial professional visited to adolescence students of school and colleges.

Targets for sensitization are ‘Adolescence’ students Legal Education- Legal awareness allows the child not only to explain from illegal acts, but also not to become victim of violence and deceit. For adolescence to know their rights and be able to protect them, they need to be told about the rights in a communication, seminars, workshop, groups discussion etc. Lack of legal literacy is often the possible reason for delinquency among young people. Therefore, HEI (Students-Staff) and Bar Association, Mangaon District court collectively focus on teenagers- adolescence for Sensitization – awareness program. It is the major success of best practice that present adolescence become legal literate, they ate future parents they are future family. Thus, present legal awrensns definitely percolates inherited in future civilian, future families.
